Important things to note if you have a Three Your Way Device Plan Agreement and want to return or exchange your Device or wish to cancel your airtime contract(s):

- If you *return* your device, the amount refunded for your device will be applied to your device plan agreement. If, after that, there is an amount that remains outstanding under your device plan agreement, you will need to continue to make your monthly payments on time and in full until that amount is repaid.
- If multiple devices or accessories were purchased together, all elements must be returned.
- If you are *exchanging* your device, the exchange will be for the same make, model, memory size and colour as your original device. All terms under your existing device plan agreement, including your repayments and loan amount, will apply to your new device.

Important Things to Note when using our 14-days returns policy

- You're allowed to do what is reasonable and turn on and use your Device to inspect it and to make sure you've received what you thought you were buying and that it works as expected, but if there's any damage, or it's used beyond what's reasonable, we have the right to charge you for any loss in value to the goods as a result of your use or damage.
- Before you send your Device(s) back, make sure you've taken the SIM out and disposed of it if you don't need it anymore. If your Device uses eSIM, you'll need to delete your eSIM profile. This will help to keep your personal information safe when returning your Device(s). Check you've got a replacement SIM or eSIM capable Device available before you delete your eSIM profile so you can move your number over.
- You must turn off "Find My iPhone" on your Apple Device before returning the Device to Three and you must not turn "Find my iPhone" back on during the returns or exchanges period. If you fail to remove it and "Find my iPhone" is enabled on the Device when your Device is received by us and/or or you turn "Find my iPhone" back on during the returns or exchange period, we'll reduce your refund or apply a charge to your Three account by an amount of up to £200 per Device.
- You'll need to pay a proportionate amount for any services received up to the date you cancel (e.g. a pro-rata amount of your monthly charge) and will be charged for any Three Services you use (e.g., for any calls, texts or data used). It can take up to 3 months for some international and premium rate services to be applied to your bill.
- If you return a Device (or accessory) to us, you will need to return the Device in the original packaging along with any manuals, chargers, accessories and any "free" gifts supplied with the Device. If anything is damaged or missing, you may be charged for these in line with the appropriate charges set out in our Price Guide.
- We realise mistakes happen, so take care when returning our Device to us. If you send us the wrong Device, or don't return your Device at all, we won't be able to process your request and you'll continue to be charged in accordance with your

agreement with us. If you are using our Cancellation Form to cancel your account, we'll be in touch on receipt of the form to arrange for your devices return – it is important that you do not return the device at the same time as sending us your Cancellation Form, as this may result in a delay to your Cancellation being processed.

- For hygiene reasons, we can't accept returns or exchanges on some accessories, like headsets, where the packaging has been opened or had the seal broken.
- If you have received a discount on Three Services, other services, equipment or accessories from us which was conditional on purchasing certain Three Services or equipment and you cancel that conditional order during your Cooling-off Period but keep the discounted Three Services, other services, equipment or accessories, you will no longer be eligible for that discount and will be required to pay us the difference between the discounted price and the full standard price for the Three Services, other services, equipment or accessories.
- This policy doesn't apply to digital products.
- If you change your mind after the Cooling-off Period , you will need to give us 30 days' notice and pay an early Cancellation Fee as set out in our www.Three.co.uk/terms/termsconditions/paym-and-payg
